Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Thursday 21 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Colder overnight. Mainly fine Friday.

This Evening and Tonight:
Fine with clear spells during the evening and overnight. Much colder than of late, accentuated by the breeze, although this will prevent a slight frost for all but the most prone rural locations. Minimum temperature 2 deg C (36 deg F).

Friday:
Mainly fine with sunny spells after a chilly start. One or two fleeting showers are possible later, these more likely in the north, and even here most places staying dry. Maximum temperature 14 deg C (57 deg F).

Outlook for Saturday to Monday:
Saturday mainly fine, but gradually becoming cloudier and breezier, with an increasing chance of some rain from the northwest, especially later Sunday. Sunshine and sharp showers Monday. Temperatures near average.
